Please read this manual carefully before using this software. If the software is to be used by young children, the manual should be read and explained to them by an adult.

- ◆ Unless stated otherwise, any references to "Nintendo 3DS" in this manual apply to all systems in the Nintendo 3DS™ family.
- ◆ When playing on a Nintendo 2DS™ system, features which require closing the Nintendo 3DS system can be simulated by using the sleep switch.

IMPORTANT

Important information about your health and safety is available in the Health and Safety Information application on the HOME Menu. You should also thoroughly read the Operations Manual, especially the "Health and Safety Information" section, before using Nintendo 3DS software.

Language Selection

The in-game language depends on the one that is set on the system. This title supports five different languages: English, German, French, Spanish and Italian. If your Nintendo 3DS system language is set to one of these, the

same language will be displayed in the software. If your Nintendo 3DS system is set to another language, the in-game default language will be English.

For instructions about how to change the system language, please refer to the System Settings electronic manual.

Age Rating Information

For age rating information for this and other software, please consult the relevant website for the age rating system in your region.

User-generated content, or UGC, is content created by users, such as messages, Mii™ characters, images, photos, video, audio, QR Code™ patterns, etc.

Exchanging UGC

These are general precautions for exchanging UGC with other users. The extent of UGC exchange depends on the software.

- Uploaded content may be seen by other users. It may also be copied, modified and redistributed by third parties.
Once sent, you cannot delete such content or limit its usage, so be careful.
- Any uploaded content may be removed without notice. Nintendo may also remove or hide content which is considered to be unsuitable.
- When uploading content or creating content for upload...
 - Do not include any information that can be used to identify you or a third party personally, such as your or a third party's name, email address, address or telephone number.
 - Do not include anything which could be damaging or offensive to another person, or make

someone uncomfortable.

- Do not infringe on the rights of others. Do not use content owned by a third party or that displays a third party (photos, images, videos) without their permission.
- Do not include illegal content or any content which aids illegal activity.
- Do not include any content which violates public morality.

This software allows you to connect to the Internet to download certain items and receive notifications. For more details, check the page about Lambert Post Office (p. 21).

- ◆ For information about connecting your Nintendo 3DS system to the internet, refer to the Operations Manual.

This software supports Nintendo Network™.

Nintendo Network is an online service which allows you to play with other players all over the world, download new add-on content and much more!

Online Precautions

- If you post, send or otherwise make available any information or content through wireless communication please make sure not to include any information that can be used to identify you personally, such as your name, email address, your address or your telephone number, as others may be allowed to see such information and content. In

particular, when choosing a user name or nickname for your Mii characters, please do not use your real name as others may be able to view your user name and the nicknames of your Mii characters when using wireless communication.

- Friend codes are a part of a system that allows you to establish a friendship with other users, so that you can play, communicate and interact with people you know. If you exchange friend codes with strangers, there is a risk that you could receive information or messages with offensive language or inappropriate content and that strangers may see information about you that you do not want strangers to see. We therefore recommend that you do not give your friend codes to people you don't know.
- Do not engage in harmful, illegal, offensive or otherwise inappropriate activity that might cause problems for other users. In particular, do not post, send or otherwise make available any information or content that threatens, abuses or harasses other persons, infringes on the rights of others (such as copyrights, portrait rights, privacy rights, rights of publicity or trademarks) or that may make

other people feel uncomfortable. In particular, when sending, posting or making available photos, images or videos displaying other people, make sure to obtain their permission beforehand. If inappropriate conduct is reported or confirmed, you may be subject to penalties such as being banned from the Nintendo 3DS Services.

- Please note that Nintendo servers may become temporarily unavailable without prior notice due to maintenance following any problems, and online services for certain software may be discontinued.

This software allows you to battle with other players via Local Play and exchange Yo-kai data via StreetPass™. Please be aware of the following when using the wireless communication features of this software.

- If you choose to use wireless communication features, information you have entered into the game (the name of the main character, Yo-kai friends' nicknames) may be seen by many people. For that reason please refrain from including any personal or identifying information or language that may make others uncomfortable. Also, Yo-kai that you send via these features may

be copied, altered, and re-sent by those receiving them. Data that has been passed to another person cannot be taken back or deleted, even by the sender, so please take caution.

- Please do not send Yo-kai that have names that will infringe on others' rights or on your own or others' privacy, or names that will cause people discomfort. The names of Yo-kai you send may be saved and altered by third parties.

Use of StreetPass and the exchange of Yo-kai Cam pictures via the system's Internet browser can be restricted by adjusting the options in Parental Controls.

- ◆ Access to this game (as well as other games) can also be restricted through the Software Rating feature in Parental Controls.
- ◆ For more information about Parental Controls, refer to the Operations Manual.
- Internet Browser
Restricts the ability to launch the Internet browser.
- StreetPass
Restricts the exchange of characters between users via StreetPass.

5 Starting the Game

New Game

Select this option from the title screen to start a new game.

Choose Your Gender

You can play as a boy or a girl.

◆ **Whichever one you choose, the basic story remains the same.**

Name Your Character

Your name can be up to eight characters long.

Continue

From here you can select save data to continue your game.

Yo-kai Cam (p. 28)

This option will open up after you reach a certain point in the game.

6

Quitting the Game

Press **START** and select "Title" to return to the title screen.

When quitting the game, be sure to save your progress before turning off the Nintendo 3DS system.

Saving Progress

Select "Diary" (p. 14) from the main menu or visit an Eyepo at an Everymart or other locations to save your current progress.

- ◆ There are certain locations where you cannot save via Diary, such as when certain Enemy Icons (p. 9) are present.

- Do not repeatedly reset the system or intentionally input incorrect controls. Do not remove any Game Card/SD card inserted into the system while saving. Make sure not to get dirt in the terminals. These actions could result in permanent data loss.
- Do not use external accessories or software to modify your save data, as this can lead to an inability to progress or loss of save data. Any modification is permanent, so be careful.

Some actions, such as navigating menus, changing party members, or moving the Yo-kai Lens around, can also be performed using the Touch Screen.

Sleep Mode

While saving or downloading, the system will not enter Sleep Mode when closed.

About the Camera

You can use the Nintendo 3DS camera to read QR Code patterns at Piggleston Bank (p. 21) or photograph people with the Yo-kai Cam (p. 28). Before doing so, please check that you have enough space in your surrounding area, and be sure to hold the system firmly in both hands. Please do not move the system about too wildly, as this may lead to injury.

Control the main character and explore Springdale. When you get in a battle, help your Yo-kai friends defeat the enemy.

Making Yo-kai Friends

Certain enemy Yo-kai you defeat in battle will want to become your friends. When you become friends with Yo-kai, you can give them a nickname up to eight characters long.

- ◆ There are some Yo-kai you cannot befriend.
- ◆ You can also befriend Yo-kai via events, quests, or the Crank-a-kai (p. 22).

Quests

If you talk to people with a  or  mark above their head, you can initiate quests (p. 14). Completing quests will give you money, items, and experience points.

1 Yo-kai Radar / Watch

You can switch freely between the two functions.

As you get close to a hidden Yo-kai, the radar needle will move clockwise. You'll find the Yo-kai hidden near the spot where the radar goes into the red.

You can check the current time.

2 Enemy icon

If you run into an enemy, you'll enter a battle (p. 16).

3 Current objective

This will display automatically after a period of brief inactivity.

4 Map

The icons below are displayed on the map.

-  Objective
 -  Direction to objective
 -  Current location
 -  Yo-kai
 -  Eyepo
 -  Store staff
 -  People and animals you can talk to
 -  Yo-kai you can battle if you touch them
 -  Watch Lock
 -  Request
- ◆ Other icons also exist.

Menu Icons

You can perform the following operations by touching icons on the Touch Screen.

- ◆ The icon designs differ depending on whether you are playing as a boy or a girl.

-  Zoom in/out on map
-  Switch Yo-kai Radar display
-  Activate Yo-kai Lens
-  Display the Main Menu (p. 12)
-  Get on/off bicycle
-  Rotate camera

10 Actions

Moving

Press  in the direction you would like to move your character. Move it lightly to walk.

You can also touch and slide on the Touch Screen in the direction you want to move.

Dash

Move  while holding  to dash.

Dashing drains your stamina gauge. If it reaches zero, you will be unable to dash until it refills, and your movement will be slow while you recover. You can also dash by making a big slide to the edge of the Touch Screen.

Stamina gauge

Riding Your Bike

Once you have a bike, press  to get on it. (There are parts of the map where you cannot ride a bike.)

Check/Talk

Press **(A)** in places where you see certain icons to check that location or talk to people, Yo-kai, and animals.

Checking Locations of Interesting Things

A magnifying-glass icon will appear over your head when an area, such as a tree or a patch of grass, can be investigated. Check these areas to find insects, fish, or Yo-kai!

Open Treasure Chests

Move close to a treasure chest and press **(A)** to get the item inside. Treasure chests come in the following types.

These will reappear after a certain amount of time.

These can only be opened once.

These only appear during Terror Time (p. 11).

Using the Yo-kai Lens

If you find anything suspicious, press **Y** to use the lens to take a closer look. You may even find a Yo-kai.

Radar Mode

Check a location that seems suspicious, and use **C** to search the area with your Yo-kai Lens.

Searching for Yo-kai

When you find a Yo-kai, keep your lens on it and a gauge will fill up. When it fills up all the way, the Yo-kai will be fully revealed!

Catching Bugs

Focus the lens on a bug, and then press the A Button or tap the Touch Screen. Press **A** to stop the spinning indicator. If you land on one of the yellow bars, the bug will be yours!

Use Black Syrup with **Y** to increase the number of bars on the wheel and make it easier to catch the bug.

Catching Fish

Focus the lens on a fish, and then press the A Button or tap the Touch Screen. Press (A) to

stop the spinning indicator. If you land on one of the yellow bars, you'll catch the fish!

Use Fish Bait with (Y) to increase the number of bars on the wheel and make it easier to catch the fish.

◆ You need a fishing rod to catch fish.

11 Terror Time

Sometimes while you're out and about, you'll see a countdown begin out of nowhere. This means you're about to enter...Terror Time! Try to get as many treasure chests as possible while you avoid the Oni and find the exit!

The Oni's Movement

The Oni will start chasing you once you are spotted. If he catches you, a battle will begin.

He'll also start chasing you if one of his underlings spots you!

Escaping Terror Time

Find the exit to escape from Terror Time.

Losing to the Oni

If you lose to the Oni in a battle, you'll lose all of the items you acquired in that round of Terror Time.

12 Main Menu Screen

Press ⊗ while in the field or touch  to display the Main Menu.

1 Yo-kai Friends

These are the Yo-kai set to your Yo-kai Wheel (p. 16).

Check out page 15 for how to view them in more detail.

2 Watch Rank

Your Watch Rank will increase after clearing certain quests. When your rank increases, you'll be able to open more Watch Locks and find higher-ranked Yo-kai using your Yo-kai Radar!

3 Menu (p. 13-14)

4 Money

13 Menu (1)

The Main Menu includes six sub-menus.

Medals

Here you can check the status (p. 15) of Yo-kai friends or choose the ones you want to take into battle.

- ◆ You can change party members only at an Eyepo (p. 19) or with the Yo-kai Medallium in the main character's bedroom.

Yo-kai On Hand

Here you can change the formation and equipment of the Yo-kai set to your Yo-kai Wheel (p. 16).

Swap

Here you can swap out Yo-kai on hand with others you've collected.

Equip

Here you can equip Yo-kai with an item (limit one item per Yo-kai).

Pose

Here you can set a Yo-kai's win pose.

Drop

Here you can part ways with a Yo-kai. Just remember, parting ways is final!

Quit

This takes you back to the previous screen.

Auto Team

At an Eyepo, touch "Auto Team" or press **L/R** to automatically create a battle lineup from your Yo-kai friends. Continually select "Auto Team" to cycle through different lineups, such as those that favor higher-level or defense-oriented Yo-kai.

Collected

This menu is essentially the same as the On Hand menu, but you can select "Set" to set Yo-kai to your Yo-kai Wheel.

Inventory

Here you can check and use items you are currently holding.

Types of Items

Food

Use food on Yo-kai friends to restore their HP or Soul Meter. Use it on enemies during battle to increase the chances that they'll become your friends after battle.

Items

Items can be used to restore fallen Yo-kai or change the personalities of Yo-kai. Some items can be used in Fusion.

Animals

These are all the insects and fish you've caught so far. You can sell or exchange them for items at Jungle Hunter (p. 22).

Equipment

These are items you can equip Yo-kai with.

Key Items

These are important items that you'll receive while playing quests or during the main story.

14 Menu (2)

Settings

Here you can change the game's settings.

Music

Here you can change the volume of the music.

SFX

Here you can change the sound-effects volume.

Show Clock

Setting this to "Fixed" will make it so the Yo-kai clock (p. 9) will always be displayed.

Objective

Setting this to "Fixed" will make it so your objective (p. 9) is always displayed.

Marker

Here you can set the arrow that points toward your objective to "On" or "Off".

Quests

Here you can look at the details of any quest you are involved in. Press ⊗ to display the map on the upper screen and see where you need to go to follow the quest.

Request

These are various requests from the townspeople. You can accept as many requests as you like.

Favor

These are smaller favors. You can accept up to five at one time.

Story

These are the main story quests.

Info

Here you can get info on various things.

Medallium

View pictures and background info on Yo-kai.

Yo-kai Spots

Find info on spots where Yo-kai are rumored to hang out.

Records

View various bits of info like your play time and the percentage of Yo-kai you've befriended.

Status (2)

Here you'll see information about

the Yo-kai, such as the Souultimate Move and Technique it can use in battle.

1 Level

Your various attacks will level up and become more powerful as you use them.

2 Element

If you attack with a move of the element the enemy is weak against, you'll deal more damage.

 Fire	Deals damage with burning fire.
 Water	Deals damage with fiercely flowing water.
 Lightning	Deals damage via lightning strikes.
 Earth	Deals damage via stones and earthquakes.
 Ice	Deals damage with freezing ice.
 Wind	Deals damage by manipulating the wind.

 Drain

Uses a mysterious power to absorb HP from an enemy.

16 Starting a Battle

If you touch a Yo-kai symbol while you're out and about, or a Yo-kai appears while you're exploring with your lens (p. 10), then a battle will begin.

Starting a Battle

Before starting to fight, you can rotate your Yo-kai to the front or back and use items (p. 18).

Fighting will begin once you use an item or select "FIGHT!".

Battle Screen

1 Enemy Yo-kai

2 Yo-kai friends at the front of your Yo-kai Wheel

The gauge below the name of each Yo-kai is HP. HP goes down when a Yo-kai is attacked, and Yo-kai will faint if HP runs out.  is the Soul

Meter, which fills over time. Once it's full, you'll be able to use a Soultimate Move.

3 Commands (p. 18)

There are four actions you can take during battle: Soultimate, Purify, Target, and Item.

4 Yo-kai Wheel

This shows the formation of your Yo-kai friends. The three at the top will be your front line, fighting the enemy. You can then prepare the three on the bottom to be rotated to the front when the time is right.

Unity

If your front line has Yo-kai of the same tribe next to each other, that will

create a Unity! Different tribes have different Unity effects. You only need two to make a Unity, but if all three of your frontline Yo-kai are the same tribe, the Unity will be even stronger!

Battle Rules

The Yo-kai set to your Yo-kai Wheel (p. 16) will participate in battle, with the three at the front actively fighting enemies. Use commands to give orders to your Yo-kai and rotate out different Yo-kai as the need arises (p. 18).

Yo-kai Friend Actions

Yo-kai will attack and use their Technique automatically. The actions they choose to take will differ depending on their personalities.

Finishing a Battle

You win once you've defeated all enemy Yo-kai. Winning a battle will give you experience points and money. You may also receive items. Yo-kai you've defeated may even become your friends.

Leveling Up

Yo-kai will level up after gaining a certain number of experience points. Stats like Strength and Spirit will increase as a Yo-kai levels up.

Escaping from Battle

If you use the item Getaway Plush, you can escape from a battle.

- ◆ There are some enemies you can't escape from, however.

Surrendering

Press **START** to open the pause menu, and select Surrender to stop the battle immediately. The battle will be treated as a defeat.

If You Lose

If all of your Yo-kai allies pass out, you lose.

If you lose a battle, you'll return to a nearby location.

Inspiring

During battle your Yo-kai may be Inspired by other Yo-kai, enemy or friend. If the effects of the Inspiring are bad, use Purify (p. 18) to get rid of the negative effect.

Here we'll explain how to give orders during battle, focusing on the touch-control scheme.

Command: Soulultimate

This allows you to use a Yo-kai's Soulultimate Move. Select a Yo-kai with a full Soul Meter and follow the

instructions on the Touch Screen. Once the gauge is full, your Yo-kai will unleash a Soulultimate Move.

Command: Purify

Yo-kai Inspired by enemies will suffer all sorts of bad effects. You can restore a Yo-kai by moving it to the back and using Purify. Follow the instructions on the Touch Screen to successfully purify a Yo-kai.

- ◆ Successful purifications also grant experience points.

Command: Target

This allows you to put a pin in the enemy you want to focus attacks on.

Move the Yo-kai

Lens and line it up with an enemy Yo-kai, and tap the Touch Screen to put a pin in the enemy.

Bosses may have different parts of their body that you can target with a pin.

Removing Pins

Select "Remove Pin" to remove a pin, or move the lens to a place without an enemy Yo-kai and tap the Touch Screen.

Wisps

If you see a glowing orb during battle, you should try to pin it! This is

a Wisp. They won't stick around forever, so make sure to pin one and see what goodies you'll get!

Command: Item

This command lets you use items. To use an item on an ally, tap the item, followed by "Use on Friend",

followed by the target. To use on an enemy, tap the item followed by "Use on Foe".

Making Friends of Enemies

If you give an enemy Yo-kai a food it likes, there will be a better chance of that Yo-kai joining you after the battle. If you give it a favorite food, your chances will be even better!

Swapping Yo-kai

If you slide the Yo-kai Wheel to turn it, you can swap Yo-kai between the back and front lines.

19 Everymart

Shopping

Talk to the clerk to buy or sell food and items. Select what you want to buy/sell, followed by the number.

Eyepo

Talk to an Eyepo at an Everymart (or elsewhere) to restore your Yo-kai's HP and Soul Meters. You'll also have the following options:

Diary

Save your current progress (p. 6).

Swap Yo-kai

You can swap out the Yo-kai you have set to your Yo-kai Wheel with others you've collected (p. 13).

Done

Leave Eyepo.

After completing a quest for Mr. Zen at Shoten Temple, you'll be able to fuse Yo-kai and/or items.

Fusion

Create new Yo-kai or items by fusing different Yo-kai and/or items together.

- ◆ Items used in Fusion disappear afterward.

Fusing Yo-kai

You can fuse specific combinations of Yo-kai together, creating new Yo-kai.

Fusing Yo-kai and Items

You can fuse certain Yo-kai with items to make them evolve.

Fusing Items

You can fuse certain combinations of items, creating new items.

View Recipe

Here you can check what combinations (recipes) you've fused so far.

Piggleston Bank

Here you can use the Nintendo 3DS camera to read QR Code patterns and exchange them for Crank-a-kai coins.

There are other facilities around the town and surrounding areas. We'll discuss a few of those here.

Your House

Check the main character's bed to sleep and restore your Yo-kai friends' HP and Soul

Meter. This will advance to the next morning or evening in-game. You can also use the Yo-kai Medallium, located at the centre of the protagonist's bedroom, to swap out Yo-kai from your Yo-kai Wheel.

Shops and Vending Machines

Here you can buy food and items.

All shops have different operating hours. Also, when buying something at a vending machine, there is a chance that a mysterious drink called VoltXtreme will come out instead...

- ◆ You can't sell items at most regular shops...

Jungle Hunter

Here you can sell or exchange insects and fish you've caught for items.

Mirapo

Once unlocked, you can use any Mirapo to warp to another Mirapo on the map. Just talk to a Mirapo and select where you want to go.

Crank-a-kai

Here you can use a Crank-a-kai coin to get a Yo-kai or an item. You can use the

Crank-a-kai in exchange for 10 Play Coins as well.

- ◆ The Crank-a-kai can be used only three times in any given day.

Crank-a-kai Coins

Crank-a-kai coins come in a variety of colors, such as red, yellow, and blue. Each will give you different types of items or Yo-kai.

PvP Matches (Local Play)

This game lets you enjoy PvP matches between two people via wireless communication. Both players must own the YO-KAI WATCH® software and have Nintendo 3DS systems.

- ◆ PvP matches are unlocked after you progress to a certain point in single-player mode.

What You'll Need

- One Nintendo 3DS system per player
- One copy of YO-KAI WATCH per player (up to two)

Procedure to Start Communications

Start a Battle (Host)

One player must select "Start Battle", select the stage, and then wait for another participant. Once an opponent is found, select "Yes" to start the battle.

Join a Battle

The other player should select "Join Battle" and then select the player they want to fight from the list. Then wait for battle to begin!

PvP Match Rules

In a PvP match, you can't fast-forward through battle animations or use items. The player who defeats all of their enemy's Yo-kai wins!

Exchanging Wandering Yo-kai (StreetPass)

If you pass by other systems on which StreetPass has been activated for this software, you will automatically exchange wandering Yo-kai (p. 25).

- ◆ Both systems must have StreetPass set up for an exchange to occur.
- ◆ You'll be able to use StreetPass after progressing to a certain point in the story.

Activating StreetPass

Talk to the Landlord of Wayfarer Manor and agree to manage the property to activate StreetPass.

Deactivating StreetPass

To deactivate StreetPass, go to "System Settings" and select "Data Management" and then "StreetPass Management". Select "Yo-kai Watch" and then "Deactivate StreetPass".

Wandering Yo-kai will take up residence in Wayfarer Manor via StreetPass.

Wandering Yo-kai

Talk to wandering Yo-kai to receive items and maybe even battle them.

- ◆ Wandering Yo-kai you battle with will leave after the battle, whether you win or lose.

Rooms

Wayfarer Manor has 10 rooms. If you use StreetPass while all of the rooms are full, your oldest Wandering Yo-kai will be replaced. You can talk to the Landlord to see how many rooms are full. You'll also see an icon  on the map when a Yo-kai is in a room.

About Yo-kai That Are Distributed

Yo-kai in the front line of your Yo-kai Wheel (up to three) will be sent via StreetPass. If there is an open spot in the front of your wheel, a Yo-kai from the back will fill the spot automatically if available.

You can talk to the Landlord to update the Yo-kai you are distributing.

Internet Download

You can connect to the Internet to receive special items.

- ◆ For more info on setting up an Internet connection, consult the Operations Manual.

Receiving a Distributed Item

Go to the second window inside Lambert Post Office (p. 21), select "Internet

Download", and then select "Yes". After you connect to the Internet, you'll receive a special item!

Passwords

Go to the second window inside Lambert Post Office, select

"Password", and then select "Yes". After you enter a password, you'll receive a special item!

Receiving Notifications (SpotPass™)

Did you know that you can receive notifications from YO-KAI WATCH about Yo-criminals and information about Internet downloads such as Crank-a-kai coins, even when you're not playing the game, by putting your system into Sleep Mode? Simply connect to the Internet and activate SpotPass for this game!

- ◆ Data received through SpotPass is saved to the SD card. As a result, it is recommended that you keep an SD card inserted in your system at all times.

Using SpotPass

In order to use SpotPass, you must have agreed to the Nintendo 3DS Service User Agreement and your system must be set up to connect to the Internet.

- ◆ Please refer to the Operations Manual for information on the Nintendo 3DS Service User Agreement and setting up an Internet connection.

Activating SpotPass

To receive notifications, go to the third window inside Lambert Post Office, select "Notifications", and then select "Receive Notifications". A message will display. Please read it thoroughly and select "Yes" to create extra data on the SD card and complete your setup for receiving notifications!

Deactivating SpotPass

You can opt-out of receiving notifications via SpotPass at any time. Go to the third window inside Lambert Post Office, select "Cancel Notifications", and then select "Yes".

You can also opt-out of notifications from the HOME Menu via the method outlined below:

Opting-Out (HOME Menu)

1. Touch the Notifications icon  on the HOME Menu to display Notifications.
2. Select a SpotPass notification for YO-KAI WATCH.
3. Then tap "Opt out of notifications for this title".

Select "Yo-kai Cam" from the title screen to use the Nintendo 3DS camera to snap pictures of Yo-kai who are Inspiring people! Select the save data you want to use.

- ◆ Just remember that you can't use save data that doesn't have the Yo-kai Cam unlocked.

Using the Cam

Once the camera starts up, line up the face of the person you want to photograph with the guide on the upper screen. Press \otimes (or touch Inner Cam or Outer Cam) to switch between the inner and outer cameras.

Snapping a Photo

You can take a picture by pressing $\text{\textcircled{A}}/\text{\textcircled{L}}/\text{\textcircled{R}}$ (or by touching "Shoot" on the Touch Screen). The picture will be saved to your SD card.

- ◆ When you take a photo, you'll hear a shutter noise even if the Nintendo 3DS system's volume is set to minimum or you have headphones in.
- ◆ Yo-kai that you photograph for the first time will be recorded in the Yo-kai Medallium.

Finishing

When you finish taking photographs, select "Back", and a record of your pictures will be saved in the diary.

- ◆ If you close the software without selecting "Back", the Yo-kai you photographed will not be recorded in the Yo-kai Medallium and you won't get a reward for your photographs.

Rewards

Once you've photographed a certain number of Yo-kai or completed a daily challenge, you'll get a special reward (p. 21).
