Thank you for selecting GAME & WARIO™ for Wii U™.

This software is designed only for use with the European/Australian version of the Wii U console. Please read this manual carefully before using this software. If the software is to be used by young children, the manual should be read and explained to them by an adult.

Before use, please also read the content of the  Health and Safety Information application on the Wii U Menu. It contains important information that will help you enjoy this software.

Language Selection

The in-game language depends on the one that is set on the console. This title supports five different languages: English, German, French, Spanish and Italian.

If your Wii U console language is set to one of these, the same language will be displayed in the game.

If your Wii U console is set to another language, the in-game default language will be English. You can change the console language in  System Settings.

Age Rating Information

For age rating information for this and other software, please consult the relevant website for the age rating system in your region.

Connect to the internet to link your Wii U console with the Miiverse™, and play  Miiverse Artwork  .

- ◆ For information about connecting your Wii U console to the internet, refer to the Wii U Quick Start Guide and the Internet section of  System Settings.
- ◆ For more information about Miiverse, refer to the Miiverse section of the Wii U Electronic Manual. Press  on the Wii U GamePad, while on the Wii U Menu, and then select  MANUAL on the HOME Menu to display the Wii U Electronic Manual.
- ◆ To use Miiverse Artwork you must first start Miiverse from the HOME Menu and set up your user information if you haven't done so already.

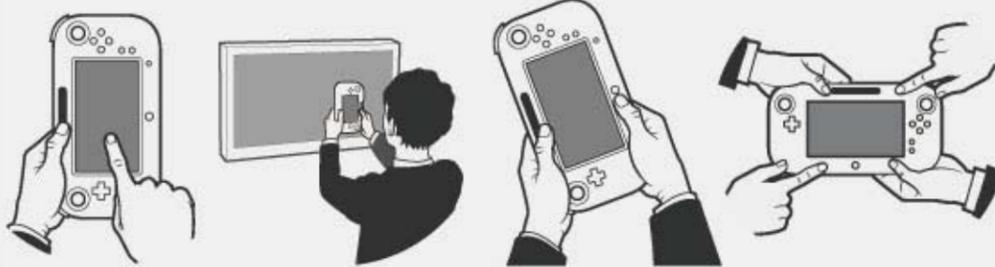

Parents and guardians can restrict certain features of the Wii U console through  Parental Controls on the Wii U Menu.

The following features can be restricted:

Name	Description
Miiverse	Restricts posting on Miiverse and/or viewing other players' Miiverse posts. It is possible to restrict posting only, or to restrict both posting and viewing. Restricting either of these options will prevent the use of  Miiverse Artwork  11 .

Read the on-screen instructions carefully and use the Wii U GamePad accordingly.

- Unless there are explicit instructions stating otherwise, you can use either the GamePad buttons or touch screen to control. Please use the Wii U GamePad stylus if extra precision is needed.
- When holding the Wii U GamePad vertically, you can only use the touch screen to play the game.
- Multiplayer mode must be played using a single Wii U GamePad.
- You can increase the speed scrolling text is displayed on-screen by pressing  or .
- If headphones are connected to the Wii U GamePad, all sounds from your television and GamePad will be played through the headphones. However, connecting headphones will not affect your television's audio output.

Your progress will save automatically when you clear a stage or change any settings!

Single-player  7  8  9 data is saved to each player's save file. However, you can view every accumulated Chick-N-Win in the Mega Collection  12 .

What about editing and deleting data?

Highlight a profile on the player selection screen  6 and select EDIT to change your name, retake your photo or delete your save file.

◆ Data cannot be recovered once deleted, so please be careful.

The selection of available games will increase as you progress.

Even if you have not made much progress yourself, games unlocked by other players may become available to you with their help!

Press ⊖ in-game to return to the game selection screen! There are certain sections though where this might not work!

Arrow

Wario's Game

Fire arrows to take down enemies. Take out multiple enemies in one attack to score a combo and increase your points.

Camera

Mona's Game

Take pictures of designated targets before the time runs out. If you fail to correctly shoot what the editor asks for, the picture may be rejected or if the picture is not perfect its value will decrease.

Ski

Jimmy T's Game

Guide Jimmy T to the finish line.

Time Attack

Race to the finish as fast as you can. Aim to achieve a time good enough for gold, silver or bronze.

Ski Bunny Slopes

Pick up as many ski bunnies as you can in this endless mode. Tag a ski bunny marked  and she will follow you. The higher the number of ski bunnies following you through a checkpoint, the higher your bonus score.

Patchwork

Kat and Ana's Game

Sew pieces according to their shape to complete the patchwork puzzles. If necessary, ask for a hint at the cost of 30 seconds, or validate the current placement of pieces! Unlock challenge puzzles and try to beat the clock.

Kung Fu

Young Cricket's Game

In Five Trials, jump your way to Master Mantis before you run out of energy. If you run out of energy, it will be game over. Grab and eat dumplings to replenish your energy levels. In All You Can Eat, try to collect as many dumplings as you can to beat your previous best scores.

Gamer

9-Volt and 18-Volt's Game

In the Balloon Fighter game, clear a variety of microgames to progress.

9-Volt

Play the microgames on the GamePad, but don't forget to keep a watchful eye out for 9-Volt's mum. If you lose all of your balloons

, are caught gaming by 9-Volt's mum or your energy meter drops to zero, it will be game over.

Energy meter

18-Volt

Try to clear as many microgames as possible. Lose all of your balloons  and it will be game over. 18-Volt's mum will not appear in this mode.

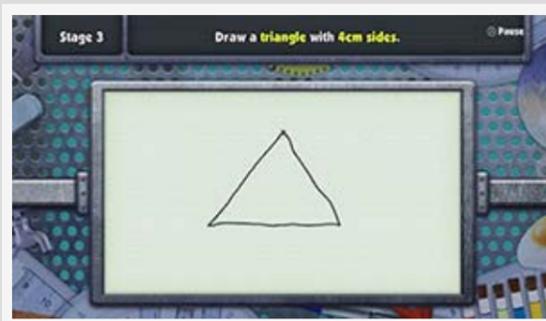

Design (1-2 players)

Dr. Crygor's Game

Correctly draw the designs as instructed. Your score will be based on the accuracy of your drawing. Your design will be successful if the total score of the five designs is good enough for at least a bronze! In two-player mode, you will take it in turns to draw the five designs, and the player with the highest total score is the winner.

Normal

Draw lines with no time limit. Corrections allowed.

One Stroke

Draw one-stroke lines in under five seconds. No corrections allowed!

Ashley

Ashley's Game

Help guide Red's best friend, Ashley, on her quest to find a way out of the sweet books. Your spell power will decrease if you fail to avoid enemies or obstacles, or cause Ashley to become angry.

If you grab ⚡, it will appear on the touch screen. Touch ⚡ to attack all on-screen enemies and replenish your spell power. If you are able to keep ⚡ until the end of the stage, then you will receive some bonus points.

Taxi

Dribble and Spitz's Game

Use your bazooka to shoot down UFOs and collect the abductees. Then, safely drive the rescued passengers to their destination. If your total takings are below the stated goal, you fail to destroy the giant UFO in time or if you lose all five of your hearts, you'll have to restart the level.

- ◆ You can choose between normal or inverted control types for your bazooka by selecting BAZOOKA SETTINGS on the pause menu. Select INVERTED to invert the up and down directions for the bazooka.

Pirates

Captain Wario's Game

Move your whole body as you attempt to block the incoming arrows with your magical shield. When the dancing begins, try to move in time to the movements you see on-screen.

Bowling (1-2 players)

Challenge (1 player)

Try to knock down the pins in one bowl. You will lose one bowling ball if you fail to knock all of the pins down. If you lose all of your bowling balls, it will be game over.

Standard

Bowl ten frames to get the highest total score possible. In a two-player game, you will take it in

turns to bowl the ten frames. The player with the highest total score wins.

Bird

You control the bird. Use its tongue to grab the beans falling from the sky before they destroy parts of the platform. Some beans will help restore the platform, but if you are hit by any of the beans, then it's game over.

Artwork (2-5 players)

Orbulon's Game

One player will sketch a specified theme or object, and the other players will have to guess what that theme

or object is. The player with the highest score, based on the most successful sketches and most correct guesses, wins the game.

Fruit (2-5 players)

Penny's Game

One player plays the thief and must try to steal pieces of fruit, while trying to blend into the crowd. The rest of the players take on the role of agents, and it is their job to work out who the thief is.

Islands (2-5 players)

Fronk's Game

Gain points by landing Fronks onto the islands. The number displayed where the Fronk lands is the amount of points that Fronk will win, if it stays there until the end of the game. The player with the highest total score at the end wins.

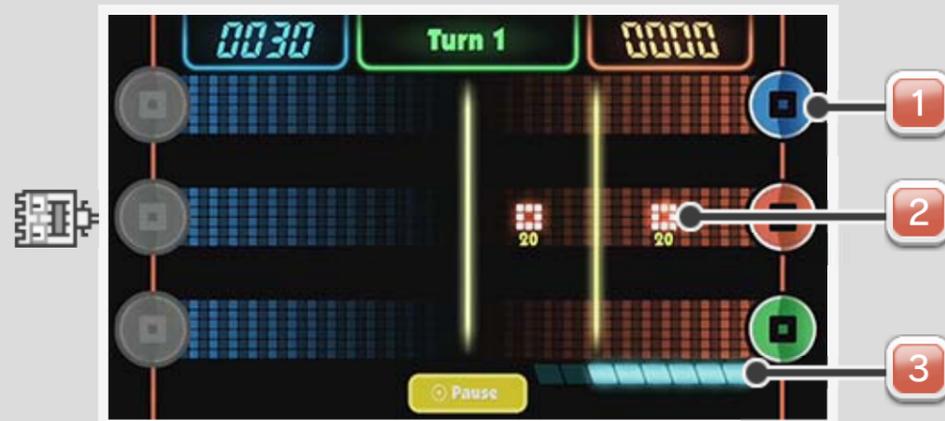

Disco (2 players)

Mike's Game

In this game, two players share the Wii U GamePad and face off in rhythmic battle! Touch the coloured

buttons on the touch screen in time with the music to send attacks your opponent's way, or to defend any incoming attacks. The first player to take three rounds is the winner.

1 Coloured button

2 Beats and their value

The attacker will earn points for each beat that isn't defended successfully.

3 Beats remaining

Sketch pictures on a variety of topics!

Connect to the internet and  Miiverse to play this fun sketching game,  Miiverse Artwork. Draw words suggested by other users, and share your sketches on Miiverse too!

- ◆ For more information about Miiverse, refer to the Miiverse section of the Wii U Electronic Manual. Press  on the Wii U Menu and then select  MANUAL on the HOME Menu, to display the Wii U Electronic Manual.
- ◆ The current user is used to post sketches and words to Miiverse. The Mii™ that was used will also be displayed to other Miiverse Artwork users.

Miiverse Artwork Menu

Select MIIVERSE ARTWORK from the main menu to display the Miiverse Artwork menu.

Sketch

Select one of four topics to sketch. If you do not select a topic within the time limit, one will be automatically selected for you. Once you have chosen a topic, you must sketch it within the time limit. Select DONE when you have finished sketching, or wait for the time limit to run out. Your sketch will then be posted automatically to the Miiverse Artwork Sketch Community.

- ◆ You can only post to the Miiverse Artwork Sketch Community from this software.

View Gallery

In the Miiverse Artwork Sketch Community, you can view your own sketches as well as those of others, sorted by topic. To update the displayed sketches in the gallery, return to the game's main menu and then select MIIVERSE ARTWORK and then VIEW GALLERY. If you find a sketch that you like, boost its rating by giving it a Yeah!

Suggest a Word

Type in a suggestion for a word (of up to 14 characters). Select OK and then SUBMIT to post your suggestion to the Miiverse Artwork Word Community.
