Mario Kart 8 Deluxe European Championship 2023

Terms and Conditions & Privacy Policy

The promoter of the Mario Kart 8 Deluxe European Championship 2023 (the “Contest”) is Nintendo of Europe GmbH, Goldsteinstrasse 235, 60528 Frankfurt am Main, Germany (“Nintendo”).

Terms and Conditions

1. The Contest is open to residents of Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and the United Kingdom (the “Participating Countries”) excluding employees and the immediate families of the promoter, its agents or anyone professionally connected with the Contest. Participants under 18 years old must have the consent of their legal guardians to participate. In case of attending a live final, a legal guardian needs to accompany the minor.
2. Participation in this Contest is free of charge. Participation and chances of winning are not dependent on the purchase of any of Nintendo’s products. To participate in the Contest, a person will require access to a Nintendo Switch console connected to the internet, a copy of the game Mario Kart 8 Deluxe and a Nintendo Account with an active Nintendo Switch Online membership.
3. The Contest consists of individual tournaments, each having its own scoring, winners and set of prizes.

Tournaments take place on the following dates:

- 16:00-20:00 CEST | Saturday 19 August 2023
- 17:00-21:00 CEST | Friday 8 September 2023
- 15:00-19:00 CEST | Sunday 17 September 2023

The tournament is named “2023 EU Qualifier #1”, “2023 EU Qualifier #2” and “2023 EU Qualifier #3” in-game and can be found in the online tournament section of the game. It is a private tournament, which requires a code to join. The code will be published on the tournament website and on Nintendo’s social channels several days before the date of each tournament. Participants need to enter that code within Mario Kart 8 Deluxe to join the tournament.

4. During a tournament, participants compete with each other in races. For every race finished, the participant receives a set amount of points corresponding to their finishing position, up to 15 points for finishing first. The final ranking table shows the total points earned by each participant in their first 24 races, in order of most points earned.

5. Based on the points they receive, the top 8 participants of each online qualifier will be invited to compete at the live final taking place in Frankfurt am Main, Germany, on Sunday 8 October 2023 with their cost of travel and accommodation covered by Nintendo. In case of a minor, this extends also to one accompanying legal guardian.

In case of a tie with multiple participants having the same number of points, the ranking will be sorted by the time of day the participants finished their last point-earning race, beginning with the earliest time. (e.g. player A and player B each earn 340pts, but as player A completed their 24 races first, they will qualify over player B).

6. The winners will be informed via the email address registered to their Nintendo Account for reception of emails from Nintendo, or in case of a winner using a child account, via the registered email address of the

supervising Nintendo Account. The email to winners will be sent within seven days of the date entries close. If the winners do not respond to such notification as described or not within the time frame, the promoter reserves the right to award the prize to a substitute winner. The promoter is not liable for technical issues or any other reason that prevents a winner from receiving, reading or responding to the email notification in time.

7. Prizes are non-transferable. There is no cash or other prize alternative. In the event of unforeseen circumstances, the promoter reserves the right to substitute any prize for an alternative of equal or greater value.

8. Participation by means other than those described in these terms is not permitted. Legal recourse is excluded.

9. Participants who cheat, manipulate or exploit bugs in any way in relation to their participation will be excluded from the Contest by the promoter.

10. Prizes are intended for personal use. The Promoter does not approve of sales of products at excessive prices to profit of high demand or the exclusive or rare nature of a product. The promoter reserves the right to remove winners that sell or offer to sell their prize or part of the prize at an excessive price from future prize competitions without prior warning.

11. The promoter reserves the right to withdraw, suspend or amend the Contest without prior notice in the event of any unforeseen circumstances outside its reasonable control hindering the scheduled procedure of the Contest, especially the breakdown of hardware or software, the unauthorised intervention of third parties as well as mechanical, technical or legal problems outside the promoter's reasonable control and influence. No responsibility can be accepted for participation lost, delayed or corrupted, or due to computer error in transit. Participation using methods generated by a script, macro or the use of automated devices will be void.

12. The winners' first names, the first letter of their surnames, their nicknames and places of residence may be published on the official website of the promoter or official Facebook, Twitter or Instagram accounts or official YouTube channels and will be made available on written request to the promoter. The promoter may be required by applicable laws to disclose upon request the names of the winners to authorities and other interested parties.

13. The liability of the promoter for damage attributable to injury to life, limb or health and attributable to wilful or negligent breach of duty on the part of the promoter, a statutory representative or vicarious agent of the promoter and for damage attributable to fraud, wilful or grossly negligent breach of duty on the part of the promoter, statutory representative or vicarious agent is in no way excluded or limited.

The same applies for damage attributable to claims under the Product Liability Act or any guarantees given by the promoter. The liability of the promoter is limited to the foreseeable damage typical for the contract for damage attributable to negligent breach of essential contractual duties on the part of the promoter, a statutory representative or vicarious agent of the promoter and not attributable to injury to life, limb or health or claims under the Product Liability Act. Essential contractual duties are duties whose observation is required for the proper performance of the competition and in whose observation participants typically may trust.

The promoter is not liable for any damage attributable to any reason that is not covered by one of the two preceding paragraphs.

14. The promoter reserves the right to verify the winner, including, but not limited to, age and eligibility to enter, and to refuse to award the prize, or withdraw prize entitlement, where there are reasonable grounds

to believe there has been a breach of these terms and conditions or any instructions forming part of the entry requirement of this Contest.

15. By participating in the Contest you accept these terms and conditions. For details about how the promoter uses participants' information in connection with this Contest, please refer to the Privacy Policy below.

16. These Terms and Conditions are subject to German law. The Nintendo Account Agreement and the Nintendo Account Privacy Policy shall apply.
